## Company Overview

Mina International is a major supplier of oil country tubular goods (OCTG) and line pipe in the Middle East and North Africa region. As part of the Edgo group, Mina International works with leading West European and North American pipe mills on projects and tenders and offers bespoke solutions to major oil companies in the region.

Our team, have 30 years of experience supplying tubing casing and line pipe, as well as a wide range of products and services needed to drill and complete a well.

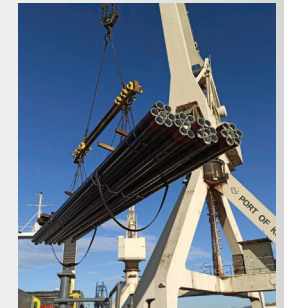

## Products and Services

Mina International can supply a complete line of API casing and tubing products manufactured to the most rigorous quality standards. Over the years of operation, we have established excellent working relationships with a variety of manufacturers and service companies which allows us to supply the most efficient and cost-effective materials.

We offer 2" to 36" pipes including carbon, high strength alloys, corrosion resistant alloys and sour service carbon.

## Our products include:

- A complete line of API casing, tubing and line pipe.
- Internal coating for corrosion protection of all size API line pipe.
- External coating with PE or PP (three layers of polyethylene or three layers of polypropylene) according to DIN applicable standard.
- Two layers of FBE thickness per layer or closed cell foamed polyurethane insulation with 2mm HDPE outer jacket.
- Pipe end belling and pipe connection system.

## Our clients past and present include:

- Waha Oil Company (WOC)
- Zueitina Oil Company (ZOC)
- Mellitah Oil & Gas Company (MOGCO)
- Sirte Oil Company (SOC)
- Arabian Gulf Oil Company (AGOCO)
- Harouge Oil Operations (HOO)
- J&P (Greece)
- Bonatti
